EXPERIENCE

Flutter Trainee - Manastik

Front-end Developer

📅 June 2023 – July 2023   📍 Remote

- As the front-end developer, I am responsible for developing the application's interface.
- My primary focus is creating responsive and user-friendly user interfaces using Flutter.
- Experience with front-end and API integration.

Twilio Field Operator (Rank 1)

Twilio

📅 March 2022 - March 2023   📍 Remote

- I am one of the Top 10 folks in India and Top 200 folks globally who have been accepted into the Twilio Field Operator program
- We currently have over 350+ members on our discord server where I share programming and Twilio related knowledge
- I will be writing blog posts, streaming content, planning, and hosting fun events on campus as a Twilio Campus Ambassador

Contributor

GirlScript Summer of Code

📅 March 2022 - May 2022   📍 Remote

- Over 7+ of my Pr's were integrated into projects during GSSoC'22 in this internship.
- In addition to learning something useful and gaining an in-depth understanding of open source, I also achieved a ranking of 98Th out of more than 850 contributors.
